

Panel of surveyors

We have a knowledgeable panel of surveyors who are qualified through the Royal Institute of Chartered Surveyors (RICS) who can provide you with a preferred rate for their services.

If you are selling your home, purchasing further shares or repaying your equity loan, a valuation will need to be undertaken. When you apply you will be asked to select a surveyor from this panel, Moat will then instruct your preferred surveyor. They have a wealth of experience in valuing homes in the specific geographic areas stated, as well as having excellent working relationships with local estate agents. They also hold a large database to allow comparisons with other homes that have recently been sold or valued. This table shows fees offered by our panel.

All valuations are valid for a period of three months only. A desktop valuation (also valid for three months) is required after this time, and once the desktop valuation expires, a re-valuation will be required. All fees quoted below are inclusive of VAT.
